

PUBLIC LECTURE

ALL WELCOME

Friday, Nov. 4, 2011
7:30 PM

Place: Covenant of Grace
Protestant Reformed Church
330 W. Indiana, Spokane, WA 99201

Speaker: Professor Barrett Gritters

(Professor of Practical Theology at the Protestant Reformed Theological School in Grandville, MI)

Topic: “Music’s Indispensable Place in the Reformation”

Let the church make music! Good music! Probably all Christians would affirm how important music is in the church’s public worship. The people of God love music, almost naturally. Who knows of a Christian church that does not have music as part of its Sunday activity? But how many of us know why the church includes music in her worship? And who knows what kind of music the church should have? What does the Bible teach about worship music? And are there any lessons from the past that can help the church today? Join us as we consider the real importance of music in worship—the right kind of music—and what the Great Reformation of the 16th century can teach us.
